MEET THE PANELISTS

#MyDigiRev #MyDigiRev #MyDigiRev #MyDigiRev

THE FUTURE OF WORK

@HermannArnold is the co-founder & President of the Board of Directors of Haufe-umantis AG in Switzerland. He is interested in innovative forms of corporate organization.

@stevenhill1776 is an American journalist, lecturer, political professional and the former program director of LaborNet. He also advises businesses on future developments.

@mspro (Michael Seemann) is the founder of *twitkrit.de* and the popular podcast *wir.muessen-reden.de*. He concerns himself with the impact of digitalization on society and data privacy.

Anoushka Malik is a UWC student from Sweden who has experienced Asian & Scandinavian approaches to digitization.

DIGITAL POLITICS

@experimentdays (Sonya Winterberg) is an author and co-founder of *schmalbart.de*. Her political interests include community organizing, social justice, and war & trauma.

@KayHinz is an election campaign communication, social media & data analysis advisor. His current research project is communicating the Wahl-O-Mat in social media.

@hensch (Henning Schürig) is a digital consultant for business & politics and founder of *Be digital GmbH*.

Rigo Cuxil is a UWC student from Guatemala who has experience with political activism through social media.
